Summary

Creative and detail-oriented Frontend Developer with a strong foundation in HTML, CSS, JavaScript, and modern UI frameworks. Passionate about building responsive, user-friendly interfaces and clean, maintainable code. Motivated to learn continuously and contribute to impactful software solutions as a Frontend/Full Stack Developer.

Skills

Frontend: HTML5, CSS3, JavaScript, Bootstrap, Tailwind CSS, React

Backend & Database: Node, Express, SQL, MongoDB

Tools & Platforms: Git, GitHub, Vite, Netlify, Vercel, Postman

Experience

Java Programming Intern

Jan 2025 – Feb 2025

CODTECH IT Solutions

Remote

- Successfully completed an intensive internship program focused on **Java programming fundamentals and application development**.
- Worked on hands-on tasks involving core Java concepts, APIs, and problem-solving techniques.
- Demonstrated strong dedication, timely task completion, and consistent learning throughout the internship.

Projects

My Simple Portfolio | *HTML, CSS, JavaScript, ReactJs Tailwind CSS*

- Built a modern, fully responsive personal portfolio website showcasing projects and skills.
- Used Tailwind CSS for clean UI design and implemented interactive elements using JavaScript.
- Optimized layout for multiple screen sizes to ensure cross-device compatibility.

Web Projects Collection | *HTML, CSS, JavaScript, Bootstrap, Tailwind*

- Developed beginner-to-intermediate frontend projects including forms, UI components, portfolio on my Github profile.
- Implemented animations, responsive layouts, and interactive features following modern UI principles.
- Strengthened problem-solving skills and understanding of frontend best practices.

Weather API Client | *Java, REST API*

- Created a Java application to fetch real-time weather data from public REST APIs such as OpenWeatherMap.
- Implemented HTTP requests, parsed JSON responses using Gson/Jackson, and displayed formatted output.
- Ensured error handling and clean data presentation in console-based output.

Certifications

- **Java Certification:** Demonstrated proficiency in core Java concepts and programming fundamentals.
- **AI for Beginners:** Gained foundational knowledge of AI concepts and machine learning workflows.
- **AWS Educate – Introduction to Generative AI:** Earned training badge covering generative AI concepts and AWS AI services.

Education

Sinhgad Institute of Technology, Pune

B.E. in Computer Science & Engineering

2022 – pursuing

CGPA: 6.83 / 10

R.R. Shinde Junior College, Pune

Higher Secondary (XII) – MSBSHSE

jun 2021 - jun 2022

Percentage: 61%

Sadhana Vidyalaya, Pune

Secondary (X) – MSBSHSE

jun 2019 - jun 2020

Percentage: 89.80%

Interests

Playing Cricket, Drawing, Physical Fitness, Esports Gaming, Exploring New Technologies
